

Do you live in Oxfordshire? Have you had a baby since the 1st March 2020? Are you a first time mum? Are you finding it difficult not being able to get out and access the support that would usually be available for you? Join us for a brand new virtual baby group on Zoom

Wednesdays at 10am or 12noon

These groups will be facilitated by Hayley Hayle, Coordinator of Botley Bridges & The Maple Tree, Wheatley. We are working in partnership with Donnington Doorstep, Flo's in the Park, NHS Health Visitors, Oxfordshire Breastfeeding Support, OXPIP and Motherkind Café

Virtually meet other new parents in the same position and find out how to access support if needed. Two groups running. Breakout rooms will be split according to your location

To join, email coordinator@botleybridges.org or hayley@mapletree.org.uk
We will require your email address to send you a zoom invitation – please check junk folders if you are expecting an invite
